### *President's Message*

Dear Colleagues,

I am greatly honoured and privileged to be the President of the Indian Association of Surgical Oncology for the year 2013. It has been over 35 years since IASO was established and we have witnessed the growth of IASO and the specialty of Surgical Oncology due to the active participation, hard work and keen interest taken by esteemed members, previous past presidents, office bearers, and secretaries

The specialty of surgical oncology has found keen interest among the young surgeons graduating from different medical colleges in the country. This is evident from the fact as to the number of surgeons applying for MCh and DNB surgical oncology training programmes in the country. The MCI and NBE have increased the number of centers imparting MCh /DNB degrees in surgical oncology, but more centers are needed.

In our country due to the population burden the number of patients of cancer are large and as surgical oncologist all of us are very busy and committed in taking care of our patients. Due to this large burden of patients many of us are missing out on, is proper documentation and data keeping of patient's records. If we do not have proper data keeping we will never be able to see treatment outcome for our patients and evolve management protocols suiting our Indian patient population. Let us turn these numbers to our advantage.

Our ties with BASO continue to thrive and grow. In addition the IASO has had formal discussions with the Society of Surgical Oncology, USA and European Society of Surgical Oncology (ESSO) for better ties and collaboration. We are hoping that something positive will come out of these discussions.

The IASO this year has joined hand with the Indian Society of Oncology (ISO), Indian Society of Medical and Paediatric Oncology (ISMPO), Association of Radiation Oncologist of India (AROI) to host the Indian Cancer Congress in New Delhi from 20 - 24 Nov 2013. This is for the first time that all the major oncology associations in the country have come together to host a common oncology conference. This is a major step forward for oncology in India. Several international luminaries are attending this meeting. It is my request to all of you to participate in this mega event and make it a success. Those of you who have not registered should register at the earliest. All the academic activities that the IASO has during its annual meeting will be there during the Indian Cancer Congress in Delhi. The Detroit fellowship, BASO fellowship and GCRI Baroda Travelling fellowships for the young surgical oncologist are there and I request all the young colleagues to send papers for this award session so that they can avail these fellowships.

The Indian Journal of Surgical Oncology under the chairmanship of Prof Gopinath has been doing well. I request all our members to send in their research articles to the IJSO to further enrich the journal.

The website is functional and I request all members to please update their e mail and contact details so that we can move forward towards paperless communications and e - newsletter in the future.

The future of the association lies in greater participation of the younger surgical oncologist. I would request them to attend the annual conference in greater numbers, send more papers for conferences, and submit their research work to the IJSO. I would request you all to encourage all those practicing surgical oncology to become members of IASO especially the youngsters doing their MCh and DNB.

Looking forward to meeting you all in New Delhi in November at the Indian Cancer Congress.

With best wishes

## *Secretary's Message*

Dear all

A very happy belated new year to you all. It has been since January of this year 2013 that I have taken over as the Secretary of the Indian Association of Surgical Oncology. I am still finding my feet but am ably supported by all you friends. The last year had a wonderful meeting in Goa (Natcon 2012) and the sectional meeting in ASICON 2012 in Kolkata was well attended.

We have a lot to look forward for this year with the forthcoming Indian Cancer Congress 2013 which is happening in 21<sup>st</sup> to the 24<sup>th</sup> November 2013. We plan to have a huge surgical oriented feast in our sessions as well as the joint sessions with the other Indian societies in various other disciplines such as radiotherapists and the chemotherapists. Dr. Misra and myself have just returned from attending the SSO meet in Washington where we have finally in agreement to draft out a definite MOU with the SSO wherein a lot of details regarding bilateral participation would be formalized. This is a great step forward for us, made possible by all the previous leadership of the IASO. The ESSO (European society) have also just sent a letter to us evincing interest to have a joint IASO ESSO session which will also heighten our surgical exposure. We are in the process of finalizing that also. We plan to have many Operative videos, How I do it, Case capsules and Planning and pitfalls sessions in our sectional meetings along with free videos, papers and posters.

I would urge all to register for the meeting at [www.Indiancancercongress2013.org](http://www.Indiancancercongress2013.org) and then submit your abstracts for the same. We are having a CME in Varanasi along with the UPASI on 6<sup>th</sup> and 7<sup>th</sup> April 2013 and no further meetings till the November conference as per our agreement.

The website is up and functioning well and I urge you to enroll colleagues especially the younger ones in the membership of the IASO so that we can make this a bigger stronger and inclusive association.

All the very best for this coming year and the future.

## *From The Editorial Secretariat*

Dear Friends,

1. Greetings from the desk of the Editorial Secretary.
2. This is the first News letter of IASO for the year 2013, the delay being due to our aim of extending maximum information on activities of the last year and of future ventures, to you.
3. After getting delinked from academic content and with the upsurge of IJSO, the IASO News letter has lost significance and we are planning to convert the printed issue totally to a net magazine soon.
4. We have still, put in our sincere efforts to compile all necessary information for you in this edition and hope it will be beneficial and informative.
5. Wishing you the best and good health, we look forward to meeting you in the coming Indian Care Concern at Delhi.

# Conference Report - IASO NATCON 2012 organized by the Gokarma Oncology Association Oct 4-7th 2012 at Goa

## Prelude

In Mumbai Natcon 2010 the IASO decided the Conference for 2012 to be hosted in Goa. In the absence of a major institutional back up, the local oncologists had to group together and form an association of oncologists from Goa, South Maharashtra and North Karnataka called the “GoKarMa” Oncology Association. This was the first major conference being done by private practitioners from various states. Preliminary conferences were held in numerous towns to help get some experience and help the organizing committee to bond together. A target of 200 delegates was expected. Speakers were hinted about the mood and quality of the target audience. Local agencies provided the ancillary support. They were tutored appropriately for the big event.

## The event

- The event was attended by 550 delegates from all over India and about 20 foreigners. Almost all states of the country were well represented. The faculty represented the best of the country.
- Day 1 was a CME organized fully by the Gokarma Oncology Association. The day began with mesmerizing videos. We had 6 sessions. The theme was organ based lectures followed by a panel discussions. A entertaining quiz program completed the day.
- The Inauguration was a grand program. Hon Chief Minister of Goa, Shri Manohar Parrikar and Health Minister Shri Laxmikant Parsekar were the Guests.
- Day 2-4 were the main IASO program. This had many lectures, panel discussion, orations, free papers and sponsored programs. Traditional events like the quiz, GBM, award papers and posters were compiled with.
- The participation of the audience was extremely enthusiastic and the quality of scientific material was very high. The tourist places of Goa could not pull the audience away from the conference.
- 3 entertainment programs with grand Banquets enthused the delegates.

## Post event

- The conference was called the best conference by many Senior IASO members and Foreign delegates. Many Foreign delegates described the academic quality, ambiance and the hospitality to be better than many events in the western world.

## Outcome, Highlights and main achievements-

- The conference raised the bar for academic quality in the IASO.
- The event was amongst the most attended IASO conference and thus successful in bringing the members to the conference.
- The stature of the growth and academics of the IASO was noticed by the foreign delegates.
- The success of Goa as a wonderful conference spot was confirmed.
- For the hosts, we were able to make a strong and powerful Oncology Association.
- We built a great camaraderie and bonded well.
- This being a unique conference of organized by 3 discrete states speaking 3 different languages, proved that oncology groups should know no borders.
- The hosts proved that small towns and cities can also host conferences successfully.
- Finally, private practitioners can now confidently host major conferences and can be relied upon.

## Minutes of EC meeting held in Goa on 4<sup>th</sup> October, 2012

### Members present:

1. Brig Manomoy Ganguly (President, IASO)
2. Dr. Sanjeev Misra (President Elect)
3. Dr. Manoj Pandey (Hony Secy)
4. Dr. D. D. Patel
5. Dr. Arnab Gupta
6. Dr. Kapoor C Choudhury
7. Dr. Chandramohan
8. Dr. Sanjay Sharma
9. Dr. K. A. Pathak
10. Dr. Sharad Desai
11. Dr. Saradindu Ghosh
12. Brig Sanjay Kapoor
13. Dr. Ravi Kant
14. Dr. S. Sadasivam
15. Dr. H. S. Shukla
16. Dr. P. Subhas
17. Dr. H. K. Chaturvedi
18. Dr. K. S. Gopinath
19. Dr. Kiran C. Kothari
20. Dr. L. Sarangi
21. Dr. E. Hemnath Raj
22. Dr. Rajaraman

1. The meeting was called to order by IASO President Brig Manomoy Ganguly.
2. Introductory comments and welcome speech by Brig Ganguly. It was felt by all present that The Past Presidents who are available should be welcome as before, and the amended Bye Law would be rectified again in the GB meeting on 6<sup>th</sup> Oct, 2012.
3. Approval of minutes of last EC meeting held in Dehradun on 15<sup>th</sup> April, 2012- which were circulated in IASO Newsletter July 2102 issue by Dr Sanjeev Misra, Brig Ganguly, Dr Manoj Pandey & Dr Arnab Gupta- who were all present in the previous meeting. It was proposed that since many IASO members seemed not to have received the issue, the PDF format would be forwarded to all the IASO members by e-mail. Dr Gupta mentioned that the cost of the last issue was totally met by sponsorships so that IASO did not have to pay 40% of the cost, which was decided previously.
4. Secretary's report- also circulated in the Newsletter was discussed and approved by all.
5. As previously decided, the Baroda Travelling Fellowship would be renamed as IASO GCRI MIS Fellowship under Dr S Rao.
6. IASO Hyderabad BASO Fellowship- since the support from BASO for the Fellowship is not very clear, it was decided that this would be discussed with Mr David Rew & other BASO members in the next few days.

There were complaints to Dr Donald Weaver regarding the transparency of the selection process of the Fellows. This again would be taken up with him for his suggestions.

7. Since there has been no takers for IASO Ludhiana Fellowship from Punjab, it was decided, that it could be open to candidates of other states also and they could give in writing where exactly they would want to go for training and in which specific field. This was based on the fact that any trainee would be seeing some Punjabi patients during their clinical practice- which will in turn benefit Punjabi community.
8. IJSO- Dr Gopinath gave a short report of IJSO. The issues have delayed publication

have been resolved and now the Issues are up to date. There has been more than 10 lakhs of profit which IASO would be giving Rs 5 lakhs as seed money from its kitty for the upcoming Indian Cancer Congress in 2013. This would be like a loan for the initial expenses.

The representatives of Scientific committee from IASO for ICC would be President, President Elect, Immediate Past President and Secretary. It was decided that no Zonal CME/ MidCon should be held within 6 months from ICC.

9. Regarding NATCON IASO 2011, Brig Sanjay Kapoor mentioned about a short fall of approx Rs 1.5 lakhs and pledged if the due of Rs 41,000/- from Registration fees could be waived off. Also, the expenses towards Dr Karwasra for his stay, conveyance and Registration fees (total amounting to Rs 30,000/-) could not be recovered from him inspite of repeated appeals. It was therefore decided by the EC members that the matter would be taken up by the Grievance committee. The money, when recovered, would go to IASO.
10. Dr Sanjeev Misra proposed a Text book of Surgical Oncology. The details however need to be worked out.
11. Dr Arnab Gupta proposed a Fellowship in Surgical Oncology from IASO (viz FIASO). This would be awarded to the Senior members working in Surgical Oncology for more than 10 yrs, after appearing in a short Fellowship course and an interview by Past Presidents of IASO. The juniors would however have to appear in an Exam at the Fellowship course. This proposal was however was turned down.
12. Brig Sanjay Kapoor, from his experience in organizing NATCON conference, felt that there should be a clear guide-line from IASO regarding Organising NATCON conference- which will save one from many difficulties. It was felt important by all those who were present.
13. Dr Arnab Gupta also mentioned that he wanted to host East Zonal CME from Saroj Gupta Cancer Centre & Research Institute, Thakurpukur, Kolkata on 24<sup>th</sup>- 25<sup>th</sup> Nov, 2012.
14. As decided in the last GB meeting, there would be an Endowment lecture in the name of late Dr R S Rao- for which his son would be donating Rs 5 lakhs to the corpus.
15. Dr Sanjay Sharma mentioned that he is going to meet the Executive Committee of SSO to prepare a MOU. He also suggested that to make a conference more interesting especially to the Juniors, there should be more debates, Panel discussions and Case Capsules, and there should be provisions for the best Posters to be discussed in the Scientific programme.
16. Dr Kapoor C Choudhary suggested that the IASO should be more involved in preparing the programme for the Pre-conference CME. It was however felt by all that, like always, it should be the prerogative of the local organizers.

The meeting ended with Vote of thanks to the Chair.

# Minutes of Scientific Committee Meeting of IASO held in Goa on 4<sup>th</sup> Oct, 2012

## Members Present:

- Brig Manomoy Ganguly
- Dr. Manoj Pandey
- Dr. Sanjjev Misra
- Dr. K. S. Gopinath
- Dr. S. V. S. Deo
- Dr. Arnab Gupta
- Brig Sanjay Kapoor
- Dr. Anil D'Cruz

## Meeting called to order by Brig Manomoy Ganguly, President IASO

- ASICON 2012- Honey Secy was requested to negotiate the dates & the Hall with the Organising Committee of ASICON 2012 in Kolkata for IASO sectional programme. The programme is yet to be decided. It was felt that it should be attractive to the General Surgeons, and more focus should be on Master Videos, Case Capsule, Interactive sessions rather than didactic lectures. The topics should be of general interest- viz. Breast, GI, H & Neck.
- ICC 2013- This is going to be a joint conference in Delhi from 21<sup>st</sup>- 24<sup>th</sup> Nov, 2013 involving the Oncologists in the field of Surgery, Radiotherapy, Chemotherapy & also allied areas like Pathology, Radiology, Gynaecology etc. IASO will be given 2 Halls where afternoon sessions will be held for 3 hrs on all 4 days. So, the total hours for Scientific sessions would for IASO would be 24 hrs. There will be 6 hrs for Free Papers, 1.5 hrs for Detroit Fellowship, and 4 Symposia- 1 hr each (10X 5 mins + 10 mins for summing up). In addition, during the morning session there will be the usual 3 Orations and also the new Endowment lecture. There will also be a Pre-conference Workshop.

## A few proposals for the Symposia have come:

1. Dr. B. K. C. Mohan Prasad-
  - a. Conservatism in Oncosurgery
  - b. MIS in Gynae Oncology- Pros & cons
2. Brig Sanjay Kapoor- Changing roles of Surgical Oncologists & Surgical Oncology in Cancer Care.

It was felt that there should not be too much repetition of Panelists, which do happen quite often.

The meeting ended with vote of thanks to the Chair.

## Minutes of GB meeting of NATCON IASO 2012 at Goa

1. Meeting called to order by President Brig Manomoy Ganguly
2. Minutes of previous GB meeting confirmed by Dr. Kiran Kothari, seconded by Dr. Samir Bhattacharya.
3. **Fellowships:** Placement of Detroit will soon take place
  - BASO Fellowship- as per recent discussion with Mr David Rew, 1000 GBP will be paid by BASO for Travel & Stay. From the interest against the FD of BASO- Hyderabad fund, another Rs 30,000/- would be paid. Anyone can apply for this Fellowship. The placement of the next BASO Fellowship would be decided in the next BASO meeting in which Dr. D D Patel & Dr Manoj Pandey will take part. Dr. Patel will try to help if he is requested politely (*he asked me to put this in the minutes*).
  - IASO- GCRI- MIS Fellowship will henceforth take place at Indo American Cancer Institute under Dr S Rao.
  - Ludhiana Fellowship will now be open to anyone, as there is no taker from Punjab.
4. **SSO:** A draft of MOU would be prepared by Dr. S. Sharma & Dr. Sanjeev Misra during their visit in March, 2013.
5. **ASICON 2012:** Members were requested to take part actively in the IASO section of the upcoming ASICON 2012 to be held in Kolkata in December.
6. **Indian Cancer Congress (ICC)** will be held in Indian Expo centre in Delhi from 21<sup>st</sup>- 24<sup>th</sup> Nov, 2013- where there will be a joint conference with the Surgical Oncologists, Radiation & Medical Oncologists, Pathology and other allied societies. Hence there would be no NATCON, MIDCON next year. All the Zonal CMEs of IASO should not be held within 6 months prior to ICC. 5000 delegates are expected in this joint conference. Dr. K. S. Gopinath requested that the Hotel rates and packages should be checked so that they are economical compared to the normal rates.
7. **IJSO:** Hony Secretary declared the good news that with the great efforts from the Editor Dr. Gopinath, now the IJSO has become Archived with PubMed and will be Indexed from 2013. The issues have become regular and upto date. The profit of Rs Eleven lakhs from this was also mentioned. Members were requested to send more articles.
8. **NATCON 2014:** There was bidding from 2 centres- Bhopal and Adayar (Chennai) with presentations by Dr. Atul Samaiya and Dr. Arvind respectively. Adayar (Chennai) got selected by a show of hands.
9. **NATCON IASO 2011:** Brig Sanjay Kapoor, Org Secy had earlier mentioned about the deficit of Rs 1.5 lakhs and pledged if the due of Rs 41,000/- from Registration fees could be waived off. Also, the expenses towards Dr Karwasra for his stay, conveyance and Registration fees (total amounting to Rs 30,000/-) could not be recovered from him inspite of repeated appeals. It was therefore decided by the members present that the matter would be taken up by the Grievance committee. The money, when recovered, would go to IASO.
10. **Miscellaneous:**
  - a. Dr. Hemnath Raj proposed that Dr. Chandrakant Are, who was actively involved with the activities of IASO, should be an Overseas Co-ordinator, to which the House agreed.
  - b. Dr. Ravi Kant proposed that there could be IASO- Japan Fellowship to which the House also agreed. Dr. Ravi Kant & Dr. Sanjay Sharma were requested to look into this.

- c. Dr. Alok Pathak was requested to continue as Overseas co-ordinator from Canada.
  - d. Dr. Satish Shukla requested all present to vote for him for the upcoming Presidency Election of ASI.
  - e. Dr. P. B. Kar requested that Bhopal, who lost out as a contender for NATCON IASO 2014, should be given due consideration as a venue for 2015.
  - f. Dr. Arnab Gupta handed over a cheque of Rs 20,000/- with an Audited report to the President as a contribution from the East Zonal CME held at Saroj Gupta Cancer Centre & Research Institute, Thakurpukur, Kolkata held in Dec, 2011. He also declared that there will be another CME on 24<sup>th</sup>- 25<sup>th</sup> Nov, 2012- theme being HPB & Upper GI malignancies.
  - g. Dr. A Gupta also asked the members who had not received the last issue of IASO Newsletter to forward their e-mail ID to him or Dr. Chintamani (Editorial Secy). The fact that the print version is going to be phased out and that it is available on the IASO web-site, was also mentioned.
  - h. Dr. Gopinath mentioned that now that many IASO members are holding the post of Directors of many Cancer Hospitals. They were requested to kindly contribute to increase the corpus of IASO.
  - i. Dr. Ajay Vidyarthi proposed that IASO should become independent of ASI. To this Dr. Chintamani (present Hony Secy of ASI) did not agree, as this is a part of ASI from the very beginning. Every effort would be made by ASI to resolve any issues of IASO with promptness. Dr. Gopinath also agreed to Dr. Chintamani's thoughts. There had already been certain pending issues, viz. ASI non-members at present can not be members of IASO; MS in ENT & Gynae, although they have passed MCh Surgical Oncology, can not be members of IASO according to the present guide-line. Dr. Chintamani promised to look into these as soon as possible.
  - j. Dr. Chandramohan proposed that there could be State chapters of IASO which should be endorsed by IASO. There are already Surgical Oncology Associations in Tamil Nadu & Kerala- which could be endorsed. The House felt that this was a good suggestion, and this will be discussed in the next EC meeting.
  - k. Presence of Past Presidents of IASO in the EC meetings- although there was some amendment regarding this, the House felt that they, like in the past, should be automatically invited in the EC meetings as they could advise/ give suggestions on different issues to the present EC members from their wisdom.
11. Elections were held for vacant appointments for 2013. nominations received by IASOoffice were informed to the EC by Dr. Sanjeev Misra and all nominations were found to be in order and the EC approved of them unanimously Declaration of **results of Election** held before the GB meeting:
- Vice- President : Dr. M. Vijaya Kumar  
Hony Secretary : Dr. D. Sawant  
Editorial Secretary : Brig Sanjay Kapoor (uncontested)  
EC members- East Zone : Dr. P. B. Kar (uncontested)  
West Zone : Dr. Naresh Soni (uncontested)  
South Zone : Dr. T. S. Rao (uncontested)  
North Zone : Dr. Deepak Rautrey (nominated)

The meeting ended with Vote of Thanks to the Chair.

# The Medical Teacher

Dr. (Mrs) B. Basu  
Chief Medical Officer, Department of Microbiology, AFMC, Pune

*“A teacher affects eternity; he can never tell where his influence stops”*

Henry Adams

## Introduction

The word doctor is derived from docere (Greek) ‘to teach’. The doctor in the community has traditionally functioned a teacher, too. The responsibility to teach has been enshrined in the Hippocratic Oath. So, the medical has a dual responsibility. In addition, to ensuring that the students become safe doctors for the community, at large, he also has to ensure that there is quality control in medical education. Since health for all, is the common denominator, it is in this interest, that medical practice and medical education should work together. This will also help to prepare the future doctor “to be the physician we would like to see if we are sick”.

## The Qualities of a Teacher

The criteria for choosing teachers in medical sciences are seldom related to the needs of the role one has to play. Teaching skills are usually learnt on the teacher is now considered more of a facilitator, rather than a mere transmitter of information.

A teacher evaluation that ends with a classification of “good” and “bad” is absurd to say the least. Some say, ‘teachers are born’. But contrary to this belief, a teacher can always improve with the right training. A not-so-good teacher can become good and a good teacher can become better. The teacher believes in a life time of learning and constantly strives to become even better.

Some basic qualities greatly help the T-L process. These qualities which a facilitator should have, are that he/she should be a:-

- a. **Good communicator** is one who can convey meaning and also promote the exchange of ideas. Being able to give relevant facts in a logical manner, helps a learner to assimilate them. For this, it is essential to have an explicit vocabulary, natural skills in the language and grammar, all of which contribute to clarity and fluency, A proficiency of the subject being taught is a natural prerequisite. All learning is built on what one already knows. Hence the sequence of instruction should be from simple to complex, the known to unknown, the example to abstract. The use of familiar words, an emphasis by repetition and an ability to make on the spot responses to an unexpected development in the classroom add significantly to effective learning. Some additional skills that help are:-

*Pausing:* is a skill in its own right. Teachers are often pathologically afraid of silence. Yet, waiting even a short while, after posing a difficult question, encourages students to think, to formulate an answer and to respond in a focused manner.

*Probing/Prompting:* is useful for clarification and relevance

*Positive responses:* gestures like a nod, a smile of encouragement, a comment like ‘a good try’ or ‘an intelligent question’ are positive responses that communicate powerfully:

*Humour.* Opinion is divided on the use of humour. It should be relevant, judicious and never personal.

- b. **Resource person:** providing and utilizing available resources needed for the T-L process is an important responsibility of the teacher. The teacher has to select and then adapt that resource which will be most appropriate.
- c. **Self learner and a continuous learner:** Learning is a never-ending process, particularly for a teacher. He should constantly upgrade and update his knowledge of the subject and be able to generate new ideas to promote innovations in the T-L process.
- d. **Good manager:** The teacher formulates his objectives and plans also takes decisions in consultation and delegates his work sensibly. He also out a method of evaluation to assess the T-L process.
- e. **Counselor:** Counselling is the process of helping students to cope with personal problems. It helps to reduce the stress associated with the long, demanding and difficult curriculum of medical education. A sound T-L process is based on mutual trust, support and respect. The student should feel free to talk and discuss difficulties of whatever nature.
- f. **Role Model:** The teacher's attitude and behavior is an important influence on students, as they try to emulate them. As students learn more from what they see rather than what they are taught, the teacher must make every possible effort to a positive role model.

## Conclusion

The qualities expected of a teacher are numerous. The core qualities are planning, communicating, providing resources, counseling and a continuing self-education. Every teacher should strive to increase his/her strengths while making up his/her deficiencies. The measure of a good teacher lies in the effort he/she makes to become a better one.
